To Whom It May Concern,

Re: Letter of Support for Cold Lake Affordable Housing

The City of Cold Lake would like to provide this letter of support for the Cold Lake Affordable Housing Society (CLAHS). The creation of affordable and accessible housing has been a necessity in the Cold Lake Region for quite some time. Access to proper housing is a right, not a privilege and we believe that all of our residents deserve affordable housing that meets their household's needs.

We recognize that affordable housing has come to the forefront as a major community concern. The City of Cold Lake is committed to supporting the development of partnerships that seek to enhance our community through the creation of affordable housing.

Please accept this letter as recognition of our support for the CLAHS to move forward with the vision and dedication to increase affordable housing in our community. We look forward to the outcome of your efforts and will be exploring ways in which we can help ensure that affordable housing is available to all residents and comes to fruition in the near future.

Sincerely,

Craig Copeland
Mayor
City of Cold Lake
